In conjunction with all the current QSY efforts and future frequency
changes TAPR is compiling a list of VHF APRS frequencies for North
America

We are requesting the assistance of all APRS digi owners or sysops to
submit the following information for compiling into the NADSD web
page. This information will be used to monitor the progress of the
frequency change and to assist in any further research on the
subject in the near future. The following information is requested to
be sent to in this format

Just testing 'cause I changed e-mail addresses, un-subscribed on the
first, and re-subscribed on the second...with no traffic so far.
geez...some people can be so impatient :o)
